

ATS Alpha Press WARRANTY

Alpha Press crimping machines are designed to be high quality, modern tool solutions, built for trade professionals. They won't let you down, but in the event that you do have issues we're here to help to provide solutions to keep you working

In association with Zupper, ATS are able to offer the most comprehensive crimping tool warranty available in the UK when compared to other crimping tools.

Our Warranty Promise:

- Alpha Press Crimping Machine - 2 Years Warranty
- Battery & Charger - 1 Year Warranty

In the unlikely event that your tool is faulty within 30 days of purchase, we will collect and send you a brand-new machine within 48 hours.

After 30 days, send your machine back to us if it faulty and we will send you a brand-new machine within 48 hours.

After 90 days, if your machine is faulty, send your machine back and we repair or replace your machine within 7 days.

* Subject to warranty terms and conditions

Zupper tools have been making hydraulic tools for over 30 years and formed in 1983 and over the last 15 years have invested heavily in machinery and research and development in order to increase quality and product reliability on a par with western and European manufacturers, this investment has led Zupper to become one of the largest producers of manual and powered hydraulic tools in the world.
